# **NORTHERN COLLEGE**

## **A LONG HISTORY OF SUCCESS IN EDUCATION**

For over one hundred years, Northern College has been a centre for learning and professional development in Ontario's northeast. Founded in the silver fields of Cobalt in the early twentieth century with the development of the Haileybury School of Mines (HSM), Northern's approach to education has always been directly connected to the needs of local industry and the well-being of learners from our communities. This unique perspective on education propelled HSM to become the world's foremost mining school, a reputation that carried forward as it joined the Northern Ontario Institute of Technology to form Northern College in the late 1960s. The founding of Northern College as we know it today was a coming together of different ideas, perspectives and specialties through a common approach to skills-based learning. Hands-on training has become the defining feature of a Northern College education; one that spans a century and will continue to define our mission into the next.

### **ACADEMIC DESIGNATION**

Upon receipt of the following credentials, graduates are entitled to use a designation, as described below, after their names:

**Ontario College Certificate, OCC**

**Ontario College Diploma, OCD**

**Ontario College Advanced Diploma, OCAD**

**Ontario College Graduate Certificate, OCGC**

Use your new designation proudly.

**Congratulations on all  
your success!**

# PRESIDENT'S MESSAGE

## **Graduates, family, staff, faculty, neighbours, community members, and friends:**

This is a great day. It is a day of celebration and a day of victory. We are celebrating you, the graduates, and the victory that we all share with this graduation.

So what exactly is the victory?

As an educational institution, we have won the opportunity to place highly-skilled workers into industry where they are desperately needed.

As a community, we have won the ability to increase our economic prosperity based on you, the graduates, as capable professionals moving into careers and new directions in the economy.

As your friends and neighbours, our winning reward is watching you learn and grow in your chosen field.

And yet, unlike the finish line you cross today, learning is never-ending. You will learn every day of your life. What you have learned here with us at Northern forms a launching place – a first step on your new journey. Your career is in front of you with many opportunities and challenges, new goals to be reached, and more exciting adventures to navigate.

As you cross this stage today, you start a new and great challenge. You have the skills, abilities, and talents the world needs. Our future is yours to shape and develop, and in these trying times there is much shaping and developing to be done.

As I often say to the faculty and staff at Northern, we are here for students. Today, it is with great pleasure that I can say, we are here for each of you: our graduates! Congratulations all of you as winners and as graduates!

Dr. Audrey J. Penner  
*President and CEO, Northern College*

# BOARD OF GOVERNOR'S MESSAGE

## Dear graduates,

It is my honor and privilege as the Chair of the Northern College Board of Governors to address you on this momentous occasion.

Today marks the culmination of your hard work, dedication, and perseverance, and I am proud to stand here as you graduate from this esteemed institution.

As you leave this institution and embark on your respective paths, I want to remind you that you are well-equipped to handle the challenges and opportunities that lie ahead. You have received a comprehensive education that has prepared you for the complex and ever-changing world that we live in.

As you move forward, I urge you to remember the values that you have learned during your time here: integrity, excellence, and service are the hallmarks of this institution, and I encourage you to embody these values in both your personal and professional lives.

I know that each one of you has the potential to make a positive impact on the world, and I am excited to see what you will accomplish. Whether you choose to pursue further education, enter the workforce, or make a difference in your communities, I have no doubt that you will do great things.

Once again, congratulations on this incredible achievement, and I wish you all the best as you begin this new chapter in your lives.

Carly Stringer

*Board Chair, Northern College Board of Governors*

# CONGRATULATIONS

## FROM MOOSONEE

### Wachey and best wishes graduates.

Over the last while you all have made many sacrifices to reach this place in your life. We are so proud of you and your accomplishments. An elder once gave me advice which I am going to share with you today: when you move forward in life, be prepared and be willing to learn and adapt; you will learn something new every day but if not there is no future.

As you each go forward some of you will enter the workforce and a career while others might continue their education. Your future and plans will only be reached by hard work, dedication, honesty and by you and you alone. There is help out there to guide you along the way such as education, advice and helping hands from people and especially elders in your community. You have already experienced many of the above and have overcome many challenges and made many sacrifices to reach your goal of graduation.

On behalf of the Town of Moosonee we wish you all the best and we are sure you will succeed in the future.

Wayne Taipale  
*Mayor, Town of Moosonee*

## FROM KIRKLAND LAKE

### Today is merely one beginning.

Your time here does not define you, but may it empower you to build a better world for yourself and those around you.

Be confident in the fact that you've been given the building blocks to create something incredible; a life worth living. As you begin this phase of your journey to become the next generation of leaders, thinkers, workers, creators, and caregivers, I hope you take what you've learned within these walls and continue to live a life of knowledge and experience.

Believe me when I say "leaders," I mean each one of you.

You can be leaders within your field. Be leaders on the job site. Lead through innovation and creative thinking. Lead those around you through example. Lead new business and development. Be the leader of your family or go on to lead entire communities. Beginning today, decide to be the leader I know you can all be.

Congratulation, today is a celebration of all you've accomplished, but it is only a beginning, in a life full of beginnings!

Stacy Wight  
*Mayor, Corporation of the Town of Kirkland Lake*

## FROM TEMISKAMING SHORES

### A time of celebration.

I am honored and privileged to have been asked to speak at this year's Northern College graduation ceremony. Northern College's vision is "Empowerment through learning to build a better world" and their mission is "Building community across the North through partnerships and excellence in education". I can tell you as a local community leader the Board and staff of the college ensure every decision they make is in line with their vision and mission and are an extremely valued partner of our community.

Graduation is a time of celebration and marks the end of one phase and the beginning of another phase. It is a very proud moment for the graduates, family and faculty who have all played an integral part to get us to graduation day. The students have worked hard with focus, determination, resilience, and discipline.

To the graduating students: Our community has appreciated your time with us. You have supported our recreation facilities, our community and our businesses. Thank you! I hope your time in our community has left a lasting impression and we will see you again in the future, either as a resident, tourist or doing business here.

This is your day and I congratulate you on your achievements and wish you all the best in your future endeavours.

Jeff Laferriere  
Mayor, City of Temiskaming Shores

## FROM TIMMINS

### Congratulations on your accomplishment!

You have worked hard. You have worked long hours. You have studied, crammed and stayed up all night to get that assignment done or to be ready for that final exam. Being here today is proof that those long, arduous days have paid off. Be proud of yourselves.

I join you in thanking your families, professors and other faculty and staff for helping you get to this point. We know that the road to graduation is not always easy. Over the past few years, many of us have grown in unexpected ways: new hobbies, new lessons, and new ways of doing things. We have all learned to adapt to the

changing world and leaned on each other in unexpected ways to get through it all. I hope that the friendships and relationships that you have built while at Northern College continue to flourish even if you are going your separate ways.

Here are a few lessons I'd like to leave you with:

- Laugh often. It beats the heck out of crying.
- Follow your heart but use your head.
- Try new things. You may not always succeed, but you will learn something along the way.

- Listen – really listen – to the people around you. Try to see the world from their point of view.
- Do your research and weigh all your options. Then follow your gut.
- Find a job or career that you are passionate about. It should never be just about the pay.
- Sometimes the worst things that happen to you in life can be the best things that happen to you. Change your perspective.
- The phrase “I don’t know” is powerful. By admitting ignorance, you are asking to learn.
- Never be afraid to question the way things are done. Don’t be satisfied with the common response “because that’s the way we have always done it”.
- You have a voice. You should not be afraid to use it.

On behalf of City Council, I thank you for choosing to study at Northern College in Timmins. You took a chance on this college and the community. I believe the City of Timmins is richer because of it, and I hope you have benefitted both personally and professionally from being here.

Congratulations again, graduates. Today is well deserved.

Michelle Boileau  
Mayor, Corporation of the City of Timmins

## ALUMNI MESSAGE

Today marks a significant milestone in your personal history.

Congratulations on reaching this special occasion and celebrating all the academic accomplishments you have achieved as graduates.

Your hard work and dedication have paid off, and we are incredibly proud of you.

Since Northern College’s establishment in 1967, thousands of graduates have gone on to start new careers in various sectors locally and globally. As you join the growing community of Northern College alumni, we look forward to continuing this journey with you and watching you accomplish even more.

We invite you to become part of what’s next by registering with the Alumni Association to stay connected. As a registered alum, you will enjoy many benefits, services, and opportunities. You will receive College event information, alumni news, employment opportunities, and numerous occasions to network with classmates, community agencies, and industry partners.

We are excited to see all the great things you will accomplish in the future, and we can’t wait to be a part of it.

Congratulations again on this significant milestone, we wish you continued success in all your endeavours.

# CONVOCATION CEREMONIES

MOOSONEE CAMPUS  
WEDNESDAY, MAY 24, 2023

### VALEDICTORIAN

**Nicole Quachegan** is graduating from the Personal Support Worker Diploma program. She is a proud Oji-Cree woman from Moose Factory, Ontario. She is a

dedicated single mom of two children. Nicole would like to show her children that they can accomplish all their educational goals, even if the pathway to success comes with hurdles along the way. Nicole has always had a passion and desire to help people. This desire to help is what has drawn her to a career in the health profession. Nicole also enjoys spending time out on the land with family and friends camping, fishing, and hunting.

*Current graduates, provisional graduates, those who completed their credential earlier this academic year, and those who will complete this summer are all listed here in celebration of their past, current, and future accomplishments.*

### VALEDICTORIAN

My name is **Chantal Bergeron**. I'm a mother of two beautiful teenage kids, who are my pride and joy, and I have been married to my amazing husband for 19 years. I reside in the City of Timmins and was a student in the Law Clerk Diploma program with Northern College through Contact North.

I want to say thank you to the Métis Nation of Ontario for giving me this opportunity of returning to college to take the Law Clerk Program. I was on the College Council and NCSA, where I started as Director of Communications and then moved on to Vice-President. I have met some incredible people in my program. We've become a family, venting, listening, and helping each other in complex, challenging, and emotional times. I am grateful for the friends I've made since beginning college.

Thank you to the professors for an incredible two years of learning and knowledge and to my friends and family for supporting me.

*Current graduates, provisional graduates, those who completed their credential earlier this academic year, and those who will complete this summer are all listed here in celebration of their past, current, and future accomplishments.*

## HAILEYBURY CAMPUS

**FRIDAY, JUNE 2, 2023** – AFTERNOON

## VALEDICTORIAN

**Justin Buetter** is graduating from the Veterinary Technician Diploma program. He is from Southern Ontario and lives in the Hamilton area. He has prior experience with various exotic species and volunteers in wildlife rehabilitation. After completing two placements in

emergency veterinary medicine, he is hoping to continue his career in that direction full-time. Justin entered this field as a second career, having previously worked in media production. He completed Academic Upgrading before attending Northern College and he plans to write the Veterinary Technician National Exam this summer to become a Registered Veterinary Technician.

*Current graduates, provisional graduates, those who completed their credential earlier this academic year, and those who will complete this summer are all listed here in celebration of their past, current, and future accomplishments.*

*We also welcome and acknowledge graduates from past pandemic-restricted years who are joining us to participate in this graduation ceremony (not listed).*

## FRIDAY JUNE 9, 2023 – MORNING

### VALEDICTORIAN

Hello, my name is **Jacob Weedon** and I am one of the valedictorians for the graduating class of 2023

(graduating from the Police Foundations Diploma program). It is an honour I am greatly appreciative of. I have had an exceptional time at Northern College thanks to the incredible staff and my amazing classmates and I will soon be entering the workforce in my desired field. I am thankful for all that I have learned over the last two years and the relationships I've had the pleasure of building. I would like to thank all of you, and give you my congratulations as the graduates of 2023.

*Current graduates, provisional graduates, those who completed their credential earlier this academic year, and those who will complete this summer are all listed here in celebration of their past, current, and future accomplishments.*

*We also welcome and acknowledge graduates from past pandemic-restricted years who are joining us to participate in this graduation ceremony (not listed).*

**TIMMINS CAMPUS  
FRIDAY JUNE 9, 2023 – AFTERNOON**

**VALEDICTORIAN**

Hi, I'm **Navpreet Singh**. I am honoured to be chosen as one of the Timmins campus valedictorians for the 2023 graduating class. I am graduating from Business Accounting and I am from Timmins, Ontario. I have enjoyed my time at Northern

College, and I already found a job in my field in Northern Ontario as well. I am grateful for everything I've learned during my studies and all the beautiful experience that I got during this time. I have made the greatest friends of my life in this time. Thank you for all of this and congratulations graduates of 2023!

*Current graduates, provisional graduates, those who completed their credential earlier this academic year, and those who will complete this summer are all listed here in celebration of their past, current, and future accomplishments.*

*We also welcome and acknowledge graduates from past pandemic-restricted years who are joining us to participate in this graduation ceremony (not listed).*

## What can microcredentials do for you?

Help you stay competitive as you grow your career

Develop specialized skill sets that can  
help advance your career

Provide life-long learning opportunities  
without taking on heavy coursework

Learn new skills

Visit [northerncollege.ca](https://northerncollege.ca) for more details

# Congratulations, you graduated! Now what?

Our free Community Employment Services will work with you to identify your skills, strengths, and career aspirations, and match you with the right opportunities.

Services available include:

- Access to local job opportunities
- Skills assessment
- Interview training
- Guidance with resume and cover letter writing

Let's work together to help you kickstart your career and become a strong competitive job candidate.
