

C – Board President Relations

DELEGATION TO THE PRESIDENT

Background

The Board of Governors has total authority over the organization and total accountability for the organization on behalf of the citizens of Ontario. All of the accountability to meet Board expectations is charged to the President. Consequently, it is essential that the Board delegate to this position all the authority that such extensive accountability deserves. The Ends policies established by the Board identify the organizational outcomes that the President is expected to achieve. The Executive Limitations policies limit the practices, methods, conduct, and other means employed to meet these expectations. This policy outlines specific responsibilities delegated to the President within the context of these policies.
