Partnerships and Collaborative Initiatives

Background

Northern College endeavours to partner and collaborate with other institutions of learning, the community, industry, and other organizations that would help the College achieve its vision and mission.

Partnership and collaboration strengthen our educational programming, encourage innovation and entrepreneurial spirit, create learning opportunities, and leverage our resources such that the College and its community partners can enjoy the benefits.

Policy

The President shall pursue partnerships and collaborative initiatives that advance the College's vision, mission, and strategic direction, without placing the College at risk.

Procedure

The following will be considered when developing partnerships and collaborations:

1. Partnerships and collaborations may be proposed and/or facilitated by any College community member.
2. Prior to formal commitment to any collaborative ventures, the proposal requires the approval of the appropriate Vice President and/or the President
3. All proposed ventures must be brought to the attention of the President.
4. All proposed partnerships and collaborations must be:
 - a. assessed with respect to the College's vision and mission;
 - b. in compliance with policies and regulations governing the development and delivery of programs;
 - c. referred to affected service areas for consultation;
 - d. consistent with the strategic and business plans of the College;
 - e. assessed to ensure that the College will not be placed at risk;
 - f. sustainable and mutually beneficial to all partners.
5. Partnerships and collaborative initiatives may include but are not limited to:
