Appendix: Freedom of Speech Annual Report Template (2021)

As indicated in the December 14, 2018 and September 12, 2018 memos from the Ministry of Colleges and Universities, each of Ontario's publicly-assisted colleges and universities is to prepare an annual report on the implementation of a free speech policy. Please use this template; you may append additional documents or institution-specific information as you see fit.

The institutional Freedom of Speech Annual Report will be a public document and should respect privacy obligations. Please report on events or incidents that took place between **August 1, 2020** and **July 31, 2021**. The reports are to be posted on the institution's website and submitted to the Higher Education Quality Council of Ontario (HEQCO) by **September 1, 2021**.

We recognize that this is an unusual year given the move to remote engagement during the COVID-19 pandemic. Please reach out to Amy Kaufman, Director of Policy, Research and System Improvement, at HEQCO with any questions.

Please submit your institution's annual report via email to Amy Kaufman (akaufman@heqco.ca).

You may append additional documentation or institution-specific information as you see fit.

Has your institution amended its free speech policy (or policy framework) since the time of your 2020 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

Where are members of the institutional community (or guests) directed when there is a free speech related question or complaint about an institutional event? Please provide contact information.

Free Speech related questions or complaints are to be directed to our Campus Managers. These include: Drew Enouy at enouyd@northern.on.ca for the Kirkland Lake Campus, Tammy Mackey at mackeyt@northern.on.ca for the Haileybury Campus, Diane Ryder at ryderd@northern.on.ca for the Moosonee Campus, and Christine Bender, at benderc@northern.on.ca for the Timmins Campus of Northern College.

Complaints would be recorded under the Northern College Incident Management system. If a complaint were to arise and remained unresolved, it may be referred to the Ontario Ombudsman.

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

Colleges may reasonably regulate the time, place and manner of freedom of expression to ensure that it does not disrupt normal college operations and ordinary college activities or endanger the safety of others.

Section B: Complaints

You may append additional documentation or institution-specific information as you see fit.

Between **August 1, 2020** and **July 31, 2021**, did any member of the institutional community (or guests) make an official complaint about free speech? If yes, please provide a general description that protects the privacy of complainant.

Northern College received no official institutional complaints related to free speech between August 1, 2020 and July 31, 2021.

How did the institution manage the free speech complaint(s)? Was the complaint addressed using the procedures set out in the policy? How were issues resolved?

The lack of complaints meant that Northern wasn't required to address any issues, but the policy in place outlines all protocols required to handle complaints when they arise.
