

Congrats!

Class of 2025

A scenic sunset over a calm body of water. The sky is filled with soft, golden light from the setting sun, with wispy clouds catching the light. The water is still, reflecting the vibrant colors of the sky. In the foreground, the dark silhouettes of trees and foliage are visible on the left side, framing the scene. The overall mood is peaceful and contemplative.

A LONG HISTORY OF SUCCESS IN EDUCATION

For over one hundred years, Northern College has been a centre for learning and professional development in Ontario's northeast.

Founded in the silver fields of Cobalt in the early twentieth century with the development of the Haileybury School of Mines (HSM), Northern's approach to education has always been directly connected to the needs of local industry and the well-being of learners from our communities.

This unique perspective on education propelled HSM to become the world's foremost mining school, a reputation that carried forward as it joined the Northern Ontario Institute of Technology to form Northern College in the late 1960s.

The founding of Northern College as we know it today was a coming together of different ideas, perspectives and specialties through a common approach to skills-based learning.

Hands-on training has become the defining feature of a Northern College education; one that spans a century and will continue to define our mission into the next.

PRESIDENT'S MESSAGE

**Ladies and gentlemen,
esteemed faculty members,
proud parents, and most
importantly, the exceptional
graduates:**

Welcome to the convocation ceremony of the class of 2025. It is with immense pride and profound joy that I stand before you today, as we celebrate your remarkable achievements and the result of hard work, determination, and growth.

Today marks a special day in your lives.
A day to reflect on what you have just achieved.
A day to anticipate what comes next in your lives.

But most importantly it's also a day to celebrate all that you have accomplished thus far.

I am honored to be here today to address this esteemed gathering on such a special day.

Today is a day where you not only look back at all that you have accomplished but also look

ahead to the bright future that awaits you. Each of you has walked a unique path, faced distinct challenges, and overcome personal obstacles, and today, you emerge as individuals who are equipped to face the world with the knowledge, skills, and resilience that you have cultivated during your time with us.

To our faculty members, I want to express our collective gratitude. You have been more than just teachers, you have been mentors, guides, and sources of inspiration. You have played an instrumental role in nurturing the minds and hearts of our graduates, and your unwavering commitment to excellence has helped shape these students into the leaders of tomorrow. To the families and loved ones of our graduates, thank you for your support and sacrifices. Your encouragement, love and belief in these students have been the foundation on which their success is built. Today, we celebrate not only the graduates but also the communities that have lifted them up along the way.

And now, to you, the graduates – today is your day. You have reached the pinnacle of your academic journey. But know that this is just the beginning. The world beyond these walls is full

of possibilities. The knowledge you've gained here, the friendships you've forged, and the challenges you've faced are all part of the foundation upon which you will build your future. The road ahead will not always be easy, but I have no doubt that you have the courage, creativity, and perseverance to succeed in whatever you choose to pursue.

As you embark on this next chapter, remember that learning is a lifelong endeavor. Stay curious, embracing change, and be open to new ideas. The world is evolving rapidly, and the skills and wisdom you carry with you will continue to grow and evolve as you do.

You are not just graduates of Northern College – you are ambassadors of its values, inclusivity, innovation, presence, and commitment to making a positive impact in the world. Let those values guide you in your personal and professional lives and always remember the lessons you've learned here.

Today, we celebrate your success. Tomorrow, we look forward to seeing the incredible contributions you will make to society, your communities, and the world.

As you step into the future, hold your heads high and remember that the journey ahead is yours to shape.

Congratulations, Class of 2025. The world awaits you.

Mitch Dumas
President and CEO, Northern College

BOARD OF GOVERNORS' MESSAGE

Congratulations to the Graduating Class of 2025.

It is with great pleasure and pride that I extend my heartfelt congratulations to each and every one of you on this momentous occasion of your graduation from Northern College. As the Chair of the Board of Governors, it is truly an honour to address you as you mark this significant milestone in your academic journey.

Your hard work, dedication, and perseverance have brought you to this remarkable moment, and I commend you for your commitment to excellence throughout your time at our respected institution. As you stand on the threshold of a new chapter in your lives, I want to assure you that you are well-prepared to navigate the challenges and opportunities that await you.

During your time at Northern College, you have acquired knowledge and skills and absorbed values that are integral to our institution's standards. Integrity, excellence, and service are not merely words but guiding principles that have shaped your

educational experience. I encourage you to carry these values forward as you embark on your personal and professional endeavors.

The education you have received at Northern College has equipped you to thrive in a complex and ever-changing world. Whether you pursue further education, enter the workforce, or contribute to your communities in meaningful ways, I am confident that you will make a positive impact wherever you go.

As you step out into the world beyond our campus, remember you are part of a proud tradition of excellence and achievement. Your journey does not end here; instead, it is the beginning of a new chapter filled with endless possibilities and opportunities for growth.

On behalf of the entire Board of Governors, faculty, and staff, I extend my warmest wishes for your continued success and happiness. Congratulations once again, and may you continue to shine brightly as you embark on this exciting new phase of your lives.

With best regards,

Jeff Molyneux
Board Chair, Northern College Board of Governors

CONGRATULATIONS

FROM KIRKLAND LAKE

Today marks a significant milestone in your lives. As you stand on the brink of a new chapter, may you reflect on the journey that brought you here. It's a journey filled with late-night study sessions, challenging exams and maybe some moments of doubt. It is also a journey of friendships well forged, lessons learned, and dreams pursued.

Graduation is not just a celebration of academic achievement; it's a testament to your resilience, growth and ability to overcome obstacles. I'm sure you've all faced unique challenges, but still, you've arrived at this moment, stronger and wiser.

As you step into your future, I hope you carry with you the values and knowledge you've gained here. I ask that you are bold in your ambitions, compassionate in your actions and unwavering in your integrity. The world beyond these walls is vast and full of opportunities, and it is up to you to seize them.

Remember, success is not measured solely by the accolades we receive or the wealth we accumulate, but by the positive impact we make on others and the legacy we leave behind. Strive to be leaders who inspire, innovators who create, and citizens who contribute to a better world.

To the professors and mentors, thank you for guiding and supporting the next generation of community builders and leaders. To the families of graduates, thank you for your unwavering belief and encouragement. And finally, to the graduates themselves, this is your moment!

Embrace it with pride and joy and move forward with confidence and hope for the future!

Yours in Community,

Stacy Wight

FROM MOOSONEE

Congratulations Northern Collage Graduates!

Today is a new beginning for you, the Graduates. You all should be very proud of what you have accomplished. It has taken dedication and commitment to be here today.

Many of you have been encouraged and helped by family, friends, and others. Always remember it is you and only you that made this day possible. This is just the beginning many of you will join the workforce and other will continue their education.

I would like to remind you all, that we must always have an open mind to new things and ideas.

If you have an open mind and think positive you will learn something new every day and you will be successful in the future; whether it be at home, school or work.

On behalf of the Town of Moosonee we wish you all success as you go forward today and in the future.

Wayne Taipale
Mayor, Town of Moosonee

FROM TEMISKAMING SHORES

A Time of Celebration

I am honoured and privileged to have been asked to speak at this year's Northern College graduation ceremony.

Northern College's vision is "Empowerment through learning to build a better world" and their mission is "Building community across the North through partnerships and excellence in education". I can tell you as a local community leader the Board and staff of the college ensure

every decision they make is in line with their vision and mission and are an extremely valued partner of our community.

Graduation is a time of celebration and marks the end of one phase and the beginning of another phase. It is a very proud moment for the graduates, family and faculty who have all played an integral part to get us to graduation day. The students have worked hard with focus, determination, resilience, and discipline.

To the graduating students: Our community has appreciated your time with us. You have supported our recreation facilities, our community and our businesses. Thank you!

I hope your time in our community has left a lasting impression and we will see you again in the future, either as a resident, tourist or doing business here.

This is your day and I congratulate you on your achievements and wish you all the best in your future endeavours.

Jeff Laferriere
Mayor, City of Temiskaming Shores

FROM TIMMINS

Dear Class of 2025,

On behalf of the entire community, I am thrilled to extend my heartfelt congratulations to the graduates of Northern College. This is a momentous occasion, one that marks the culmination of hard work, determination, and perseverance.

As you step into the next chapter of your journey, remember that your education at Northern College has provided you with more than just knowledge. It has equipped you with the skills, experiences, and resilience needed to thrive in a rapidly changing world.

We are incredibly proud of the talent that emerges from Northern College, and as you venture into your careers, I encourage you to consider staying right here in the City of Timmins. Our community offers a wealth of opportunities in many fields, from natural resources to healthcare, technology, and beyond. Timmins is a city with a rich history, a vibrant future, and a welcoming spirit. We are excited to see the next generation of leaders, innovators, and changemakers call our city home.

To the families, friends, and faculty members who have supported you along the way—thank you for your encouragement and belief in these graduates. Your support has been invaluable in helping them achieve this milestone.

As you move forward, take pride in your accomplishments and continue to seek opportunities to grow, learn, and contribute. I have no doubt that each of you will make a positive difference in the world—and we hope that many of you will choose to make that difference right here in Timmins.

Congratulations, graduates!

STUDENT SPEAKER

My name is **Shanti Odedara** and today is a special day for all of us. We have worked hard, faced challenges, and finally reached this proud moment—our graduation.

Choosing Northern College was one of the best decisions I made. It wasn't just a school—it became my family.

The Environmental Technology program taught me so much about protecting our planet, solving real-world problems, and preparing for the future. But more than that, the people here made my journey unforgettable.

Northern College provided incredible support throughout my studies, making me feel welcome and comfortable while studying abroad.

The faculty were always available to help, offering guidance and encouragement whenever I faced challenges. The college environment felt like a family, where classmates and staff created a warm, supportive space that made learning enjoyable. Various student services, such as academic advising and career support, were crucial in keeping me on track and preparing for the future.

Thanks to Northern College, I have gained the confidence and skills needed to take on the next chapter of my life with courage.

STUDENT SPEAKER

My name is **Aiden Danis** and I am a dedicated graduate of the Instrumentation Process Control Engineering Technician program from Northern College.

I am from Kirkland Lake, Ontario, I try to give back to my community by volunteering with the Kenogami Lake Volunteer Fire Department and the Kenogami Lake Area Water Ski Association. I am a multi-sport athlete, as

my team and I represented my school, KLDSCS, at OFSAA in both volleyball and soccer in 2019. I try to remain active in volleyball, pickleball, and golf.

Outside of my academic and athletic pursuits, I am a co-owner and operator of A&A Tree Service alongside my father. We have built a successful business that is focussed on quality service and strong client relationships. I am known for my competitive spirit and strong work ethic, I strive to bring the same energy to my professional career. I am open to travel and new opportunities, and I aim to balance my passion for instrumentation with entrepreneurial endeavors. My long term goals include earning my Red Seal certification and working across Canada.

Originally from Englehart, Colton has spent the past few years focused on hands-on experience through co-ops, including one with Ontario Power Generation.

Passionate about innovation and problem-solving, he's planning to continue his journey as an apprentice in the field, aiming to contribute to sustainable energy and automation systems. Outside of academics, Colton is a driven individual who enjoys fitness, creative projects, and connecting with others through mentorship and collaboration. He values personal growth, discipline, and lifting up the people around him. His future plans include starting a business, giving back to his community, and never shying away from a challenge.

TIMMINS CAMPUS

Thursday, June 12, 2025 - 9:30 a.m.

STUDENT SPEAKER

Marissa Chiera is a proud graduate of the Bachelor of Science in Nursing program. Born and raised in Timmins, she chose to stay local and pursue her passion for healthcare at Northern College—she says this is one of the best decisions she has made for both her academic journey and future career.

After completing the national nursing exam this summer, Marissa will begin working part-time in the Intensive Care Unit at the Timmins and District Hospital. She is also starting her Master of Science in Nursing full-time in the fall.

Her ultimate goal is to make a meaningful impact in patient care and nursing education—starting by gaining experience in a critical care setting, then transitioning into a role as a clinical instructor, and eventually becoming a nursing professor.

Teaching is an important aspiration of hers, and she hopes to inspire and guide future students in the same halls that shaped her own journey.

HONOURING CULTURE THROUGH ART: INDIGENOUS TEACHINGS WOVEN INTO THE HEART OF CONVOCATION

This year, Northern College celebrates its graduates with a gesture of respect and recognition—woven into the heart of convocation through meaningful art and tradition.

For the first time, the President's gown and the stage backdrop were adorned with original works of art created by Indigenous artists from each of the college's campus communities. These stunning pieces are more than decorative—they carry stories, teachings, and values. With the blessing of the artists, the meanings behind their work were shared during the ceremony, offering a moment of reflection on the deeper threads that bind us all.

Among the teachings:

The Moose teaches tranquility and the importance of moving forward with calm strength.

The Beaver symbolizes hard work and wisdom—traits that help shape a strong foundation.

The Flowers represent renewal and new beginnings, perfectly mirroring this time of transition.

The Bear embodies courage: the courage to speak, to stand tall, and to be the strength others can lean on.

The Eagle Feather represents strength, nobility, courage, perseverance, respect, and wisdom. Traditionally gifted by elders or leaders to mark great achievements, the eagle feather is a sacred symbol. For many Indigenous students, receiving an eagle feather or plume during graduation is as meaningful as receiving the diploma itself.

The Goose represents the traditional Spring Goose Harvest, an important time when many Cree families along the James Bay coast return to the land. It also symbolizes working together, and helping one another to reach a common goal or destination—values deeply reflected in the journey of education and community.

These teachings and symbols are not only sewn into fabric, but into the spirit of Northern College's commitment to reconciliation, inclusion, and community.

We extend heartfelt thanks to artists Justice Sutherland, John Reuben, Wayne McKenzie, and Chance Kwieciarz-Luke for sharing their gifts with us. Their contributions transform this year's convocation into something more than a celebration—it becomes a moment of connection, reflection, and shared meaning.
