

Accessibility Services Medical Documentation Form

IMPORTANT NOTE REGARDING THIS FORM

This form is not meant for you if your accommodation needs:

- Are the result of a non disability-related extenuating circumstance (i.e. death in family, etc.) *
- Are the result of a learning disability*

* Please consult with your accessibility office rather than completing this form

PART A: TO BE COMPLETED BY THE STUDENT

Dear Student,

This form is designed to provide Northern College's Accessibility Services with confirmation that you have a disability and with information on how your disability will impact you while studying at Northern College.

The mandate of Northern College's Accessibility Services, informed by the Ontario Human Rights Code, is to provide individualized academic accommodations to equalize learning opportunities. Accessibility Services will use the information provided by your health care provider to work with you to determine what accommodations you will need while you are studying at Northern College. The regulated health care professional who completes this form will be asked to use their assessment and detailed knowledge of you to describe the functional impact of your disability. Please bring this form to a health care professional who knows you well.

Disclosing a diagnosis is a choice and is not required to receive accommodations from Northern College's Accessibility Services. Please indicate below if you give consent for your regulated health care provider to disclose your diagnosis. Any information provided on this form is kept strictly confidential and will not be shared with anyone outside of Accessibility Services without your explicit written consent.

PART B: TO BE COMPLETED BY THE HEALTH CARE PROFESSIONAL

Dear Health Care Professional,

You are being asked to complete the following Documentation Form by a student who wishes to register with Accessibility Services at Northern College. We seek the following information:

1. Confirmation that the student has a disability
2. Confirmation of functional limitations the student experiences directly related to their disability or health condition

We rely on your assessment and detailed knowledge of this student and their disability to provide us with a description of the current functional limitations that impact the student in the academic context. Please use the form that follows to identify the functional limitations that impact the student in the academic context. In some cases, students will complete the Functional Limitations section themselves. If this is the case, we ask that you initial each functional limitation indicated by the student with which you agree. By initialing in agreement, you are indicating that you have assessed this functional limitation and are in agreement that the limitation is present OR based on your knowledge of the student's condition, this limitation is related to the student's diagnosed disability(ies).

The information you provide, along with the information provided by the student, will be used by Northern College's Accessibility Services to design an individualized accommodation plan. This plan helps to ensure the student has an equitable opportunity to fulfill the essential academic requirements and standards at Northern College.

Disclosing a diagnosis is not required to access accommodations from Northern College. You are asked to only provide a diagnosis with the student's consent on the CONFIRMATION OF DISABILITY page of this form. Any information provided on this form will be kept strictly confidential and will not be shared with anyone outside of Northern College's Accessibility Services without the student's written consent.

CONFIRMATION OF DISABILITY
(To be completed by the Health Care Professional)

Please Note: If this student's functional limitations are a result of a **non-disability related extenuating circumstance** (e.g., death in family) please have the student consult with their respective postsecondary accessibility office rather than completing this form.

The following criterion MUST BE MET for the determination of a disability: The student experiences functional impairments due to a disability or diagnosed health condition that impacts the student's academic functioning while pursuing postsecondary studies

DURATION OF DISABILITY

The designation of permanent disability has legal implications and is used in determining a student's eligibility for government programs.

Disability Duration:

- ☐ Permanent disability – ongoing, will impact the student over the course of their academic career, and is expected to remain for the person's lifetime
- ☐ Ongoing disability – unknown duration
- ☐ Temporary disability
Anticipated duration: _____ (M/Y) to _____ (M/Y)
- ☐ Diagnosis unconfirmed (Note: interim accommodations offered under these circumstances may require periodic documentation from professionals)
Assessment likely to be completed by: _____ (M/Y)
Next clinical assessment appointment: _____ (M/Y)

Notes/Comments: _____

Has the student consented to providing their diagnosis(es) in Part A? ☐ Yes ☐ No

If Yes, please provide the diagnostic statement(s): _____

EXPECTED CHANGES IN LEVEL OF FUNCTIONING

<input type="radio"/> Condition is expected to remain stable	<input type="radio"/> Condition is expected to fluctuate significantly
<input type="radio"/> Condition is expected to decline	<input type="radio"/> Changes in level of functioning are difficult to predict

Does this student have a disability that is episodic in nature (i.e., periods of good health interrupted by periods of illness or disability)? ☐ Yes ☐ No

If the student's functioning is restricted at certain times of the day, please specify when:

- ☐ Morning ☐ Afternoon ☐ Evening ☐ Not applicable

FUNCTIONAL LIMITATIONS
(To be completed by the Health Care Professional)

Please check all functional limitations the student experiences specifically due to their disability

***Note:** If the student completes this section of the form, we ask health care providers (HCP) to initial those functional limitations with which they agree, based on their clinical assessment and judgement.*

HCP's initials: _____

TREATMENT PLAN
(To be completed by the Health Care Professional)

How long have you been treating the student? _____

Date of determination of disability (D/M/Y): _____

The confirmation of disability is based on (**CHOOSE A or B**):

- ☐ **A.** I have recently assessed this student and I am knowledgeable about their disability and related functional impairments.
- ☐ **B.** I have expertise in this area of disability and have reviewed current documentation provided by this student that gives a detailed assessment of their disability and related functional impairments.

Date of most recent assessment (related to this disability[ies]): _____

Will you remain involved in ongoing management and treatment of this student's disability?

☐ Yes ☐ No **If Yes**, how often? _____

If No, does this student require ongoing care? _____

Do you recommend that the student be referred for a psychoeducational assessment to determine if they have a learning disability? ☐ Yes ☐ No

Treatment Plan (e.g., recommended follow-up, referrals): _____

Medication Side Effects:

Is the student taking any medication which could have a negative affect on their academic functioning?
☐ Yes ☐ No

If Yes, when are the side effects of any prescribed medication likely to occur (check all that apply):

☐ Morning ☐ Afternoon ☐ Evening ☐ N/A

Medication level of impact on academic functioning:

☐ Mild ☐ Moderate ☐ Severe ☐ N/A

Please list side-effects of medication(s) which may impact academic functioning: _____
