To be considered for a partial refund, withdrawal and refund requests must be submitted by the 10th scheduled day of the semester. Please note that there are different fee deductions depending on your reason for withdrawal - [Click here to view a summary of reasons and associated fees](#).

Withdrawal and Refund Requests received after the 10th scheduled day of the semester will incur academic penalties as per Northern College's Refund Policy. Once your request form is received, along with the required supporting documentation, a refund of tuition and fees will be assessed as per the Northern College Withdraw and Refund Request Policy.

There will be no extension after this deadline. Students who receive visa approval but will not be able to arrive on campus before the class start day/First Day of Classes of that semester will need to submit deferral requests via OCAS IAS portal for next available intake.

If I receive my visa after the start date of classes, will a late arrival be accepted?

Late enrollment and Late arrival after the start date of classes are NOT permitted. Any late arrival after the Semester Start Date/First day of Classes is disruptive to programming for which student work groups have been formed, lessons and projects launched etc.

Students who receive visa approval but will not be able to arrive on campus before the semester start date/First Day of Classes will need to submit deferral requests via OCAS IAS portal for next available intake.

If I miss the refund deadline of that semester due to various factors which are out of my, or my agent's control, can I still be refunded?

Students must pay attention to each of the deadlines the college published and strictly follow these deadlines. They must evaluate their visa processing timeline, the potential risks and then make their own decision whether to submit their refund application or not by the deadlines. The college can review the case but there's no guarantee that a late refund application will be accepted/approved after these deadlines.

Do I need to visit the campus in-person to withdraw?

Students are not required to visit the campus to withdraw.
