
Program Requirements

Rabies Vaccination

Rabies Vaccination Proof to be Submitted by August 1st

All students in the School of Veterinary Sciences require a rabies vaccination.

Please submit an **updated** and adequate rabies titre **no later than August 1st**.

Laptop Requirements

Please note that Chromebooks and other Tablets are not sufficient devices to be able to perform all required tasks as a Northern College student. For full laptop requirements, please visit [Student Services Technology](#).

Program Equipment List

You will need to bring:

- Scrubs or Uniforms (Any Colour)
- Closed-Toed, Closed-Heeled Indoor Shoes
- Good quality Stethoscope
- (1) Digital Thermometer for Rectal, Oral and Axillary (Approx. \$15-\$20 Each at Local Pharmacy)
- Wristwatch with the Ability to Count Seconds

Please note: The items listed above **do not have to be new**, but we reserve the right to inspect them to ensure they meet our safety standards.
