Connecting to NC Skynet on Windows 11
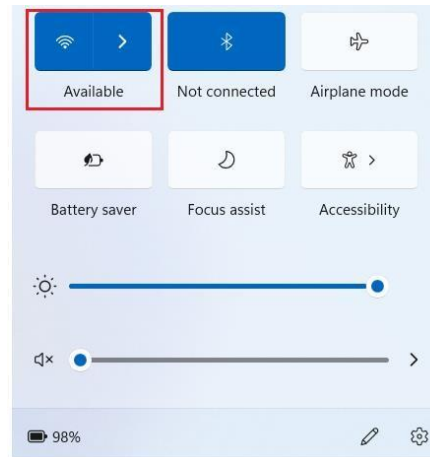

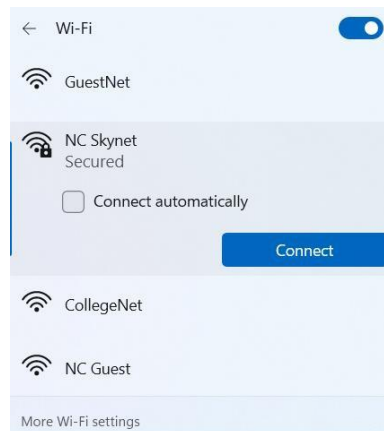

1. Locate the Available WIFI icon.

2. Open the list of available WIFI connections and locate NC Skynet.
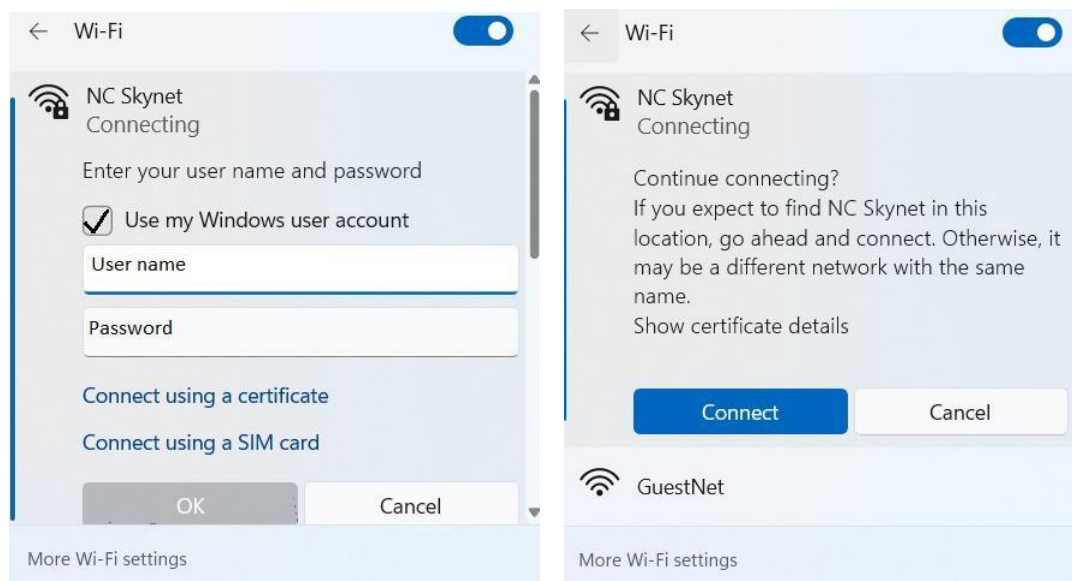

![Northern College logo]

3. Select NC Skynet network and place the check mark in the Connect automatically.

4. Enter your credentials and click OK.

Alternatively, you can select **Use my Windows user account**, then click **OK.** You will receive a connecting message select **Connect.**

5. You will receive a Connected, secured message when your credentials have been verified by NC Skynet.
