

NC-Oxford ELLT Digital English Test Guidance

Oxford ELLT is an English Language Level Test, approved by Northern College that can be used as evidence of a candidate's English language proficiency for international admissions instead of other English proficiency test results accepted by the college.

Oxford ELLT Digital bespoke registration link:

<https://tests.oidigitalinstitute.com/rp/ellt/northern-college-4801>

Applicants who do not have valid or accepted English proficiency test results should register for the NC-Oxford ELLT Digital English Test through the above registration link.

Discount code for Oxford ELLT Digital: Students who register through the bespoke ELLT Digital registration link will be able to request a discount code via admissions@northern.on.ca to get a unique 50% discount code, which brings the test registration fee from \$220 down to \$110.

Test Centre Locations (for those who want to write the test in person): You can find our full list of test centres at the following link: <https://oxfordellt.com/ellt-global/>

Northern College -Oxford International Pre-Sessional English Course

Applicants can register via [Online Pre-Sessional English Northern College - OI Digital Institute](#) for Oxford International Pre-Sessional English course if they need to enhance their English proficiency to meet Northern's English requirement.

As part of the registration process, students must upload evidence of their current English language proficiency. Students who do not hold a valid English test result can be supported with an internal placement test. Please refer to the details on the above website or the Northern College Pre-sessional English program brochure.
